Prior to submitting this request, a written release must be provided by the resident school district. The requirements for this release are determined by the resident district.

Non-resident student acceptance is based upon work related childcare hardships for young children and children of employees of Haywood County Schools.

Requests involving school rules, academic performance, personality conflicts, discipline, sports, classes/courses and personal preference are not approved under this process.

Non-resident students with excessive tardiness, absences or discipline may be denied enrollment at any time. Students who are suspended/expelled or who have a felony conviction will be denied.

Transportation is not provided by Haywood County Schools under this request. All other enrollment requirements apply under this request.
