

## Assignment of Related Employees

Board Policy: P-8  
Adopted: January 18, 1993

### I. General Policy Statement

The Board recognizes that members of the same family may be employed in the school system. This policy is adopted for the purpose of preventing situations in which an employee supervises a member of his or her immediate family.

### II. Regulations

- A. Immediate family members shall be defined as: spouses, parents, children and siblings.
- B. An employee shall not be assigned to a position in which he or she is under the direct supervision of another immediate family member.
