

Information for Employees

Board Policy: P-10
Adopted: January 18, 1993

I. General Policy Statement

The Board believes that it is important for employees to have access to information regarding the policies, procedures and general operation of the school system.

II. Regulations

- A. The principal of each school shall establish and maintain a means of making pertinent information available to employees.
- B. The items of information that shall be maintained and made available to employees shall include the following:
 - 1. Board of Education Policies
 - 2. Sick Leave and Substitute Teacher Regulations
 - 3. The school's most current teacher handbook
 - 4. Public School Laws
 - 5. The school's teacher roster
