Haywood County Schools Closed – Employee Guidance

Haywood County, North Carolina – March 13, 2014

Today, Thursday, March 13 is a “No Day/Closed Day” for Haywood County Schools. This day will be made up at the end of the school year. For contract, payroll and supervision purposes, we need to provide staff with the following reminder:

- Ten-month employees (certified, licensed, classified and hourly) should NOT come to work unless directed to do so by his or her principal/director. These employees need to work on the “make up” day at the end of the year.
- Eleven and twelve month employees are already scheduled to work on the make up day at the end of the year. Therefore, these employees may work today or take accumulated leave.

Haywood County Schools’ averages just over 8 missed student days each year due to inclement weather. Thus far, we have missed 12 days this school year. Pending additional closings, the last student day will be Friday, June 13, 2014.
