Sherri Arrington/Principal

May 21, 2015

Dear Parents,

Junaluska Elementary students are excited to "GLOW and SHOW WHAT THEY KNOW" on the End of Grade tests. For the past two weeks, students and staff have spent time each day reviewing strategies for testing. In order to reinforce the strategies, our staff has created skits to make each concept memorable for students. The ten test taking strategies are...

- Stay focused
- Get a good night's sleep
- Check over your work
- Eat a good breakfast
- Check that your test book and answer sheet match
- Know when testing begins
- Read questions more than once
- Underline important information
- Be on time
- Read your answer choices before reading the selection

On Friday, May, 22nd at 8:30 am in the gym, we will enjoy a celebration of our learning and a final review of test strategies. We invite you to join us for this celebration wearing your brightest colors.

Testing will begin on May 27th and continue through June 5th. Please refer to the testing calendar on the back of this sheet for specific test dates.

Parents, we want to make you aware of a wonderful opportunity for students scoring below a Level 3 on the 2015 End of Grade tests. During the weeks of June 15th-June 26th your child will be invited to attend summer school and test again to improve their score. If your child is eligible for additional instruction and testing in summer school, you will be contacted with more information.

Sincerely,

Sherri Arrington, Principal

Lisa Thompson, Lead Teacher

Clip and return to your child's homeroom teacher.

I understand my child will be offered a two-week summer school session and another opportunity to increase his/her EOG scores, if a score below level 3 is obtained.
