

2016 - 2017 Haywood County Schools Annual Report

<http://www.haywood.k12.nc.us>

A Message from the Superintendent

Welcome to the Haywood County Schools. It is a pleasure to be the superintendent of your school system. Our schools are the home for premier pre-kindergarten through grade thirteen education.

Our school system is an exciting place where educational excellence is more than a goal; it is our standard. We are committed to creating opportunities for all students to do their best and to succeed. We have high expectations for students and employees, and continually work on open communication, sound fiscal management, and strong family and community involvement.

I am very proud of the progress our school system is making and invite you to join us in realizing our vision and mission. Come visit our system and feel the friendly, inviting atmosphere in our schools. Talk with teachers and students and become part of a dynamic school system.

I encourage the people of Haywood County to con-

tinue its history of support for the schools. The end product will be a stronger school system that will make us proud. It is imperative that we work together to build strong relationships and support systems in order for our children to achieve at the highest levels possible. I am confident, that working together, we can provide the best possible education for each child. I know that teaching everyone takes everyone!

I hope each of you has a very rewarding and positive experience this school year!

If you have questions or suggestions, please e-mail anne@haywood.k12.nc.us or call 828-456-2400 extension 2113 or 828-734-8232.

Anne G. Garrett, Superintendent

Haywood County Administration

Exceptional Children's Program

The Exceptional Children's Program provides specially designed instruction to ensure that all children with disabilities, ages 3 through 21, have available to them a free appropriate public education. The program emphasizes special education and related services designed to meet their unique needs and prepare them for further education, employment and independent living. Services may include specialized educational instruction, speech/language therapy, occupational therapy, physical therapy, hearing impaired services, visually impaired services, and transportation. The Exceptional Children's Program is looking for any children and youth ages 3-21 with special needs that are not identified or may not be receiving the help they need. You can assist us in finding these unidentified students by calling Brandi Stephenson, EC Program Coordinator at 828-456-2400.

Career Technical Education

Career and Technical Education provides students with experience in practical, meaningful applications of basic skills such as reading, writing and mathematics and offers individuals lifelong opportunities to learn new skills in a technical or trade career. Haywood County Schools offers a comprehensive career and technical education program for students in grades 6-12. Competency-based courses are offered in 8 program areas: Agriculture, Business, Marketing, Family and Consumer Science, Health Sciences, Technology, Trade and Industrial Education and Career Development. Opportunities for work-based learning experiences such as internships and apprenticeships are available at the high school level. Students entering the 9th grade complete a Career Development Plan outlining academic and Career and Technical Education courses that are needed to meet a tentative career objective by their senior year.

Non - Discrimination

It is the school district's policy not to discriminate on the basis of age, disability, national origin, race, religion, gender or genetic information in its educational programs, activities or employment policies.

Students with Disabilities

The school district provides special education services to all eligible children between the ages of 3 and 21 who have been evaluated and determined to have a disability that negatively impacts their learning and requires specialized instruction.

Homeless Students:

McKinney-Vento Homeless Assistance Act

The school district provides assistance and services for all eligible "displaced" students in the system as defined in the McKinney-Vento Assistance Act.

Restraint

The school district must provide information regarding the use of restraint, seclusion and reasonable force that may be used to protect the safety of students, staff and visitors. These guidelines are found in School Board Policy SA-17. This and other policies may be accessed through the "Resources" link on the school district website at <http://www.haywood.k12.nc.us/>.

Report Cards

Report cards are issued each nine weeks in grades one through eight. Report cards are issued each six weeks from all high schools. Schools also send a mid-grading period progress report to students in grades 1-12. Parents may access mid-grading period progress reports and report cards via the Parent Portal on the HCS website. Students in grades 3-12 are graded on a 10-point grading scale.

Annual Public Notices

Each school year, school districts are required, pursuant to federal regulations and state law, to provide a number of annual notices to students, parents, non-public schools and the community. These notices are shared through a variety of methods including media releases, media based notices, written communication, voice messages, Internet postings and other processes.

Public notices are posted on the school district web page. Please contact Haywood County Schools if you need additional information regarding public notices.

Threats

A threat is any communication, written, verbal, or otherwise, that specifically implies harm to self or others. Any staff member who hears or otherwise learns of a threat against property or persons shall report the threat to the principal or designee. The principal or designee will investigate the matter. Action may include warning, parent conference, in-school or out-of-school suspension, counseling referral or law enforcement intervention. The principal may require persons involved to have a threat assessment with a certified mental health counselor before returning to campus. Parents will be responsible for the cost of this evaluation, which may be multiple visits.

Student Records

The Family Educational Rights and Privacy Act (FERPA), a federal law, gives parents and students over eighteen (18) years of age ("eligible students") certain rights with respect to the student's education records.

Haywood County Schools

You can follow Haywood County Schools on Facebook and/or Twitter (@HCSNC) for schedule changes and other announcements.

School Nutrition Services

All schools in Haywood County participate in the National School Breakfast and Lunch Program. The Haywood County School Nutrition Services Program is self-supporting. Customer revenue and federal reimbursement are the only revenues received. Families may apply for free or reduced price meals based on family income at www.lunchapplication.com or request a paper copy from the school. Central Haywood High, Clyde Elementary and North Canton Elementary participate in the Community Eligibility Provision and all students at these schools receive free meals regardless of income.

Meal prices for the 2016-17 school year will be as follows:

Breakfast: PK-5: \$1.25
6-12: \$1.25
Adults: A la Carte or \$1.75
Lunch: PK-5: \$2.45
6-12: \$2.70
Adults: A la Carte or \$3.75
Reduced Price Lunch:
PK-12 \$.40

Protection of Pupil Rights Amendment

The Protection of Pupil Rights Amendment requires school districts to obtain consent or allow parents to opt-out of certain school activities. These activities include surveys, analysis or evaluations that concern:

1. Political affiliates or beliefs of the student or student's parents
2. Mental or psychological problems of the student or family
3. Sexual behavior or attitudes
4. Illegal, anti-social, self-incrimination or demeaning behavior
5. Critical appraisals of close family relationships
6. Legally recognized privileged relationships (lawyers, doctors or ministers)
7. Religious practices, affiliations or beliefs of the student or parents
8. Income, other than as required by law, to determine program eligibility

Pest Management

The school district must provide public notification of pesticide use as it relates to pest management in school facilities. Regular pest management will occur during the first full week of each month. Notification of non-scheduled pest management will be made 72 hours in advance at the location of use.

Student Health

Parents of students who have chronic health problems such as asthma, diabetes, etc., are requested to inform school personnel upon the diagnosis and at the beginning of each school year. The school district will provide information on Influenza, Meningococcal diseases and vaccines as appropriate during the school year.

School Safety and Security

Security of buildings and grounds is essential in assuring student safety. Each school has a plan to secure buildings for the purpose of protecting students from potentially harmful offenders. Plans contain procedures for monitoring the school. Procedures are in place to notify the superintendent, parents and the media when appropriate.

Articulated Course Offerings

HAYWOOD COUNTY SCHOOLS & HAYWOOD COMMUNITY COLLEGE

An articulation agreement between Haywood County Schools and Haywood Community College enables the district to offer additional courses for high school students with the possibility of earning college credit.

Public Information

Haywood County Schools is committed to providing students, parents, staff and the community with school district information. Each school has a media contact person who works with the principal to submit regular school news to the media. Public information is shared through newspaper columns, the Haywood County Schools Report podcast and district-level press releases online at www.haywood.k12.nc.us. You may also access this information by following Haywood County Schools on Facebook and Twitter. Each fall parents and staff have the opportunity to register for email, voice and text alerts.

Local Student Accountability Policies

The Haywood County Board of Education has several policies pertaining to student accountability. These policies include (1) 3400 - Evaluation of Student Progress (2) 3410 -Testing and Assessment Program (3) 3420 - Student Promotion and Accountability and (4) 3460 - Graduation Requirements. These policies may be accessed through the "Policy" link at the bottom of the school district website at <http://www.haywood.k12.nc.us/>.

Policy highlights include:

- Minimum attendance requirements for grade levels
- Minimum attendance for at least one-half of the day to be counted present
- Minimum expectations on Kindergarten through second grade state assessments
- Minimum achievement of Level III on state-mandated tests
- Minimum grade of "D" (70) in all except one core course in grades three through eight.
- High school end-of-course tests representing 20% of the student's final grade
- Options for students not meeting minimum performance standards.

Graduation Requirements

Ninth graders entering in 2012-2013 and later are required to complete a Future Ready course of study.

- English 4 Credits
- Mathematics 4 Credits
- Science 3 Credits
- Social Studies 4 Credits
- Health and PE 1 Credit
- Elective credits 6 Credits

-2 in any combination from Career and Technical, the Arts or World Languages.

-4 from one of the following: CTE, JROTC, the Arts or any other subject area.

Additional credits are required based on school schedules.

Additional information regarding graduation requirements can be found online at www.ncpublicschools.org/curriculum/graduation. Questions about individual students should be addressed to the school's counseling department or principal.

Haywood Co. Schools AIG Program

Haywood County Schools endorses the North Carolina definition of giftedness and develops programs and services that address these needs. Academically or intellectually gifted students perform or show the potential to perform at substantially high levels of achievement when compared with others of their age, experience or environment. Academically or intellectually gifted students exhibit high performance capability in intellectual areas, specific academic fields or in both intellectual areas and specific academic fields. Academically or intellectually gifted students require differentiated education services beyond those ordinarily provided by the regular educational program. Outstanding abilities are present in students from all cultural groups, across all economic strata and in all of human endeavor. An AIG program is provided to afford these students the opportunity to develop to their potential.

Credit by Demonstrated Mastery

All students in North Carolina Public Schools in grades 9-12 are eligible to request an opportunity to earn credit by demonstrating mastery for available courses. Middle school students may request an opportunity for high school courses offered in grades 6-8. For more information go to <http://www.haywood.k12.nc.us/resources/parentscommunity/>.

Academic Performance

Haywood County Schools has a long history of strong academic performance. Twelve years ago Haywood County Schools ranked approximately 40th among 117 districts in academic performance in North Carolina. By 2012-13, student academic performance had increased to 17th of 115 school districts outperforming 85% of the other school districts in the state. In 2013-14 and 2014-15 the district outperformed 87% of the other school districts in the state. The district ranked 15th of 115 school districts. This represented the highest collective academic performance for Haywood County Schools in the history of education that includes rigorous academic standards and assessments.

Official test results for 2015-16 were not available when this Annual Report was published. The most current official results are posted online at <http://abcs.ncpublicschools.org>. Annual results are published in the local media as they become available. Test scores and other academic performance data are also available on the Haywood County Schools website at www.haywood.k12.nc.us. If web access is not available, academic performance information can be obtained by contacting individual schools or the school district office.

In 2013-14, the NC General Assembly passed legislation that required a single letter grade for individual schools. Haywood County Schools has performed significantly higher than most traditional and charter schools. Results in the chart below show the performance grade for all North Carolina schools, all charter schools and all Haywood County Schools. The percentages may not total 100% since some very small schools and some alternative schools in the state did not receive a letter grade.

2013-14

Letter Grade	All NC Schools	Charter Schools	Haywood County Schools
A	5.4%	11.1%	12.5%
B	24.0%	29.4%	31.25%
C	41.4%	27.8%	50%
D	23.1%	17.5%	0%
F	6.0%	13.5%	0%

2014-15

Letter Grade	All NC Schools	Charter Schools	Haywood County Schools
A or A+	2.1%	7.5%	13.3%
B	19.1%	44.8%	53.3%
C	43.3%	21.6%	33.3%
D	29.4%	18.7%	0%
F	6.1%	7.5%	0%

2016 - 2017
