Agenda adjustments were as follows:

- There were no agenda adjustments

Approved the May 24, 2021 Special Called Board Meeting Agenda.

Dr. Nolte gave the following update on changes to Installment Pay for eligible ten month employees:

Haywood County Schools recently learned that as part of the Statewide System Modernization Project, effective with the 2021-2022 school year, the Department of Public Instruction will no longer support the 12-month installment payment system. As a result, HCS payroll can offer a summer pay (payroll deduction) plan that is different than the traditional 12-month installment plan.

Beginning 2021-2022 school year, eligible ten-month employees will have three options.

Option 1:

Eligible employees may be paid ten times during the ten month calendar and choose to not receive pay in the months of June and July.

Option 2:

Eligible employees who prefer available funds during the summer months, can contact their financial institutions and inquire about the benefits of opening a summer cash savings account. Employees can redirect a portion of each direct deposit into an interest-bearing, employee owned, savings account. Arrangements of this type of savings account can be made directly with your financial institution. This option gives employees the benefit to earn interest on their money.

Option 3:

Eligible employees can choose to have their June and July payments maintained by Haywood County Schools. By choosing this option, the Finance Department will take a monthly deduction in an amount determined by the employee. Then in June and July the funds will be paid to the employees in two equal monthly amounts.

In the past, taxes were divided over twelve months. In the future, taxes will be paid over the ten-month period. No taxes will be withheld in the June and July checks because these funds will be taxed before the funds are deducted.

If someone comes off of payroll due to FMLA, resignation, or retirement, the deducted funds will be paid out to the employee.

Haywood County Schools Summer Pay Option forms for the 2021 – 2022 school year should be completed and returned to the school payroll secretary by June 7, 2021. If you choose to not submit the Summer Pay Option form, you will automatically be placed on the ten-month pay option (August – May).

All Pierce Group and State Health Plan benefits will be deducted over the ten-month period. The annual cost will remain the same but your monthly deduction will be higher because it will be divided over ten months beginning in January 2022.

Staff who are currently on installment pay will receive their 2021 June and July payments as scheduled. The changes described above go into effect with the 2021-2022 school year.

If you are an eligible ten month employee and need a copy of the Summer Option Pay Form, please see your principal or director.
